Annual percentage rate for purchases that a finance charge is imposed	18.0%
Grace period for repayment of balances for purchases	If you pay your account balance as of the end of the month on or before the 15 th day of the following month, then no finance charge will be imposed.
Method of computing the balance for purchases	We figure the finance charge on your account by applying the periodic rate to the "adjusted balance" of your account. We get the "adjusted balance" by taking the balance at the beginning of the month and subtracting unpaid finance charges and payments and credits received during the month.
Minimum finance charge	There is a minimum finance charge of \$.50 for any month in which a finance charge is imposed.
